Welcome to Stony Run

"We are a people that follow after those things that make for peace, love and unity; it is our desire that others' feet may walk in the same, and do deny and bear our testimony against all strife, and wars, and contentions that come from the lusts that war in the members, that war in the soul... Treason, treachery, and false dealing we do utterly deny; false dealing, surmising, or plotting against any creature upon the face of the earth, and speak the truth in plainness, and singleness of heart." - Margaret Fell
